

Company Profile

About Us

Kasai Auto Works is a privately registered automotive service company operating under the Companies Ordinance (CAP 213) of the laws of Tanzania, with registration number SPM3/656/02/2015. We are a full-service auto workshop committed to delivering fast, reliable, and affordable vehicle solutions for private individuals, businesses, and fleet owners. Our workshop is equipped to handle comprehensive routine servicing, preventive maintenance, mechanical and electrical repairs, engine and transmission overhauls, and advanced computerized vehicle diagnostics. We also specialize in air conditioning installation and repair, tire and battery supply and fitting, wheel balancing and alignment, upholstery cleaning and re-cushioning, as well as professional accident repairs, panel beating, and spray painting. Every service we provide is guided by technical precision, safety standards, and attention to detail.

The workshop is driven by experienced technicians who combine hands-on skills with modern automotive technology to deliver accurate diagnostics and dependable repairs. Preventive maintenance is strongly emphasized to reduce unexpected breakdowns and improve vehicle performance over time. Clients are served with transparency, fair pricing, and clear communication at every stage of service. From routine maintenance to complex repairs and accident restoration, each vehicle receives careful handling and professional attention. By continuously upgrading tools, techniques, and technical knowledge, the company maintains high service standards and builds long-term trust with customers, positioning itself as a reliable and professional auto garage within Tanzania's automotive industry.

Vision

To become a trusted and leading auto workshop in Tanzania, recognized for quality repairs, innovation, and long-term customer satisfaction.

Mission

To provide fast, reliable, and affordable automotive services through skilled workmanship, modern diagnostics, and genuine care for every vehicle we service.

Vehicle Maintenance & Servicing

We offer vehicle maintenance and servicing focused on keeping vehicles safe, reliable, and efficient throughout their lifespan. We provide thorough inspections, timely adjustments, and professional care designed to reduce wear, prevent unexpected failures, and improve overall performance. By following manufacturer standards and proven automotive practices, we help vehicles operate smoothly under daily driving conditions. Regular attention to essential systems enhances fuel efficiency, handling, and driving comfort. This service supports long-term reliability, minimizes downtime, and protects vehicle value while ensuring drivers enjoy consistent, worry-free operation. We provide professional scheduling, clear communication, and careful documentation so owners remain informed, confident, and prepared for future service planning, budgeting, and responsible vehicle ownership decisions with clarity, trust, and lasting peace of mind always assured.

We offer the following Maintenance & Servicing;

01

Full Routine Maintenance

We offer comprehensive routine vehicle maintenance, including inspections, oil changes, fluid top-ups, brake checks, and system evaluations, ensuring optimal performance, reliability, and safety for daily driving and long-term vehicle care.

02

Preventive Auto Maintenance

Preventive vehicle maintenance focuses on identifying potential issues before they escalate. We provide scheduled checks, system monitoring, and early interventions, reducing breakdowns, extending vehicle life, and ensuring consistent performance and safety.

Mechanical, Electrical & Engine Repairs

We provide mechanical, electrical, and engine repair solutions addressing complex systems that keep vehicles operating correctly and safely. We offer skilled diagnosis for faults affecting power, control, and responsiveness using systematic testing and technical expertise. Repairs are completed with precision, quality components, and industry-approved procedures to restore proper functionality. Our services improve reliability, drivability, and safety by correcting root causes rather than temporary fixes. Attention to detail ensures systems operate efficiently, reducing future breakdowns and unnecessary costs. We provide clear assessments, practical recommendations, and durable results supporting daily driving demands, commercial usage, and long-term dependability under challenging road conditions through professional workmanship, accountability, structured processes, and consistent service standards delivered with reliability, transparency, safety, focus, care, experience, trust, excellence always.

Kasai Auto Works offers these repair services include;

- ➔ **Mechanical Repairs** – We provide expert mechanical repairs, addressing engine, suspension, and drivetrain issues to ensure optimal vehicle performance, safety, and long-term reliability.
- ➔ **Electrical Repairs** – We handle all electrical system repairs, including wiring, battery, and lighting solutions, restoring full functionality and reliable operation for every vehicle.
- ➔ **Engine & Transmission** – We perform engine and transmission repairs or overhauls, improving power, efficiency, and longevity while maintaining smooth, safe, and dependable vehicle operation.

03

Diagnostics, Alignment & Performance Services

We offer diagnostics and performance services using advanced technology to accurately assess vehicle condition and operating efficiency. We provide modern analysis of electronic data, system behavior, and performance indicators to identify issues quickly and precisely. This approach reduces guesswork, saves time, and supports informed decisions before corrective work begins. Accurate evaluation improves handling stability, control, and balanced performance across driving conditions. We provide detailed feedback, professional recommendations, and confidence that adjustments rely on factual data, expert analysis, and proven automotive standards throughout every assessment process, ensuring accuracy, safety, longevity, and optimal driving experiences for private, commercial, and fleet vehicle owners worldwide clients consistent quality trusted outcomes delivered responsibly efficiently professionally always with care precision integrity accountability excellence focus reliability assured.

We have following Diagnostics, alignment & performance offers:

01

Digital Vehicle Diagnostics

We provide computerized diagnostics to accurately detect faults, ensuring efficient repairs and vehicle reliability.

02

Wheel Balancing & Alignment

We perform precise wheel balancing and alignment to improve handling, safety, and tire lifespan.

Auto Comfort, Accessories & Interior Services

Our services are designed to enhance convenience, cleanliness, and overall usability for both drivers and passengers. Our team provides professional care for air conditioning systems, interior features, and vehicle accessories, ensuring a comfortable and enjoyable driving environment. We carefully preserve materials, maintain hygiene, and prevent premature wear while improving functionality and aesthetic appeal. Clients benefit from refreshed interiors, reliable comfort, and long-lasting value. Every service is carried out with skilled workmanship, consistent quality, and meticulous attention to detail, ensuring vehicles remain practical, comfortable, and well-maintained for daily use.

Our services include;

01

Air Conditioning Services

We provide complete air conditioning installation, repair, and maintenance, ensuring optimal cooling, system efficiency, and passenger comfort. All work is performed with precision, quality components, and reliable professional expertise.

02

Interior Cleaning

We clean and maintain vehicle interiors, preserving hygiene, comfort, and aesthetic appeal effectively.

03

Upholstery & Re-Cushioning

We restore and re-cushion vehicle upholstery, improving comfort, durability, and overall interior quality efficiently.

04

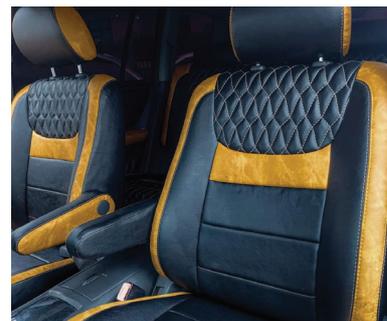

Accessories Installation

We professionally install and maintain vehicle accessories, ensuring safety, functionality, and convenience.

05

Vehicle Covers Design

We design customized seat covers, canvas, and roofing, enhancing comfort, durability, and interior style.

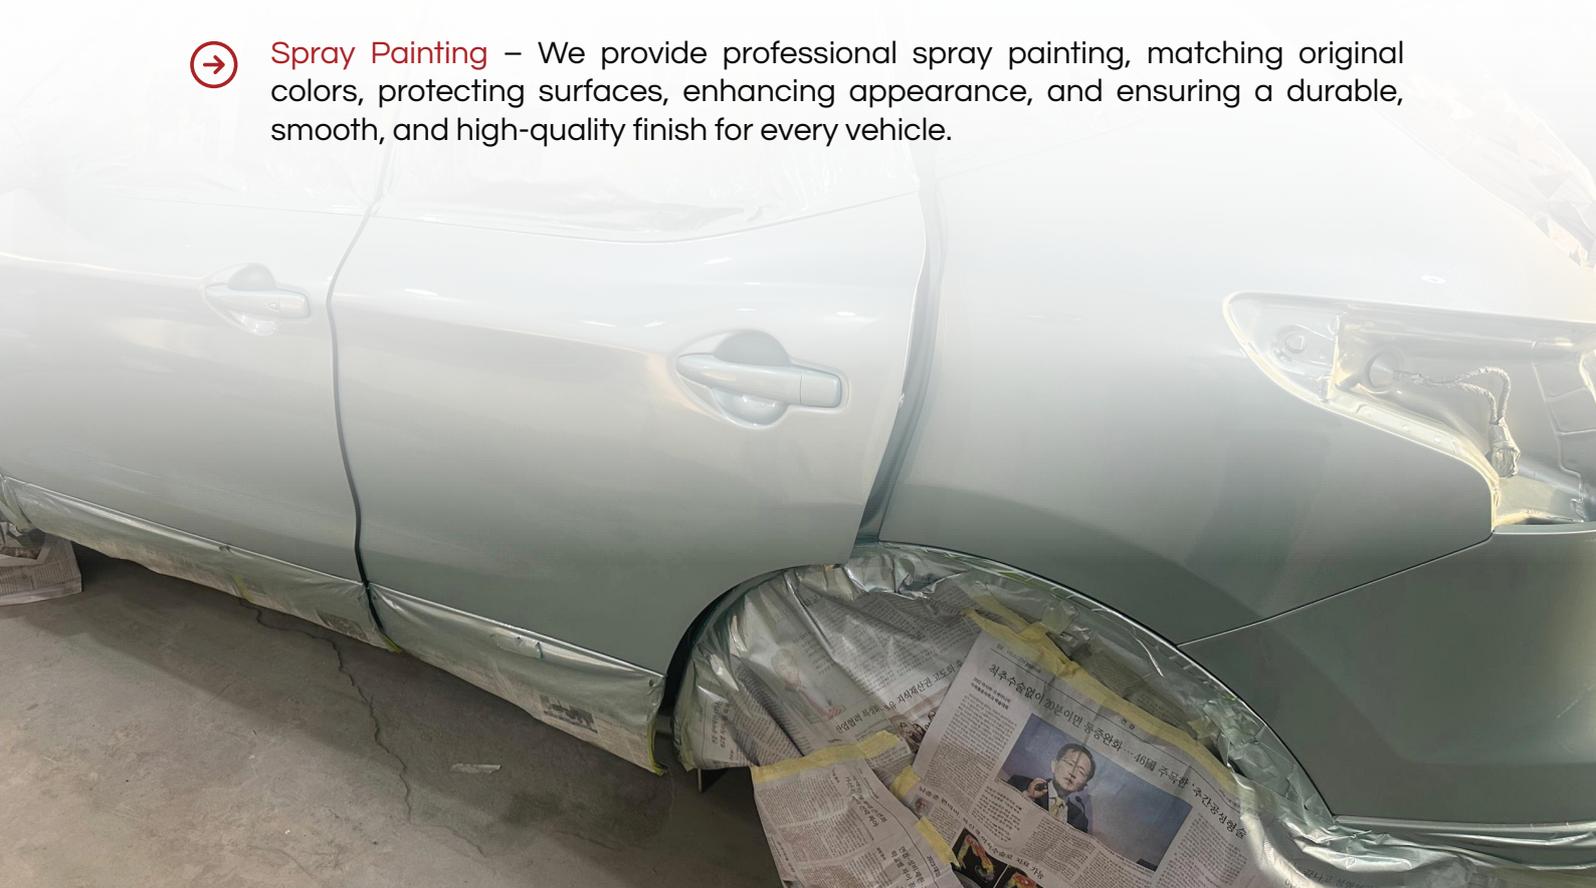

Accident Repair & Body Works

We help restoring vehicles to safe, fully functional, and roadworthy condition following damage affecting structure, performance, or appearance. Accurate assessment, controlled repair procedures, and skilled craftsmanship ensure structural integrity, visual appeal, and adherence to manufacturer specifications. Clients receive transparent communication, realistic timelines, and reliable results throughout the repair process. The outcome is a professionally restored vehicle ready for safe and dependable daily use. Services guarantee long-term durability, performance, value retention, and the highest standards of safety, workmanship, and customer satisfaction consistently achieved.

Our accident repair and body work services include;

- **Accident Repairs** – We restore vehicles after accidents, repairing damaged systems and structures carefully, ensuring safety, functionality, and reliable performance for daily driving and long-term use.
- **Panel Beating** – We perform precise panel beating to correct body damage, restore vehicle shape, and maintain alignment, strength, and aesthetic quality efficiently.
- **Spray Painting** – We provide professional spray painting, matching original colors, protecting surfaces, enhancing appearance, and ensuring a durable, smooth, and high-quality finish for every vehicle.
